Comment: The observation of the high unit headquarters in the Ardelt Plant indirectly confirms the EBERSWALDE Hoof the 50X1-HUM Fourth Gas Mecz Army (Cadre ) until 23 July 1949.

Comment: The report confirms previous information and 50X1-HUM assumptions that recruit training units in many areas of the Soviet Zone of Garmany were still in the military post in July 1949 while the field units were at troop training grounds.
